Re: Court Rule No. 2003-47;

Please note that I believe it is wrong to take the rights of individuals with non-cancerous asbestos lung disease (asbestosis) to seek and recover damages against the asbestos manufacturers and the property owners who allowed asbestos to be used by workers. It is wrong to change the law to deny and deprive myself and others with asbestos lung disease of their right to trial by jury. Please do not change the laws that protect us.

Sincerely,
B. Lemanski
